**Tender Notice – Cleaning of Planetarium Dome**

Proposals are invited from interested and qualified agencies for cleaning of 12-meter diameter fixed dome of KCM Planetarium, Kurukshetra. The dome is made from perforated aluminum panels.

Proposal should include implementation methodology along with details of cleaning materials/solutions to be used, equipment /tools, specific techniques & timelines and financial quote. The dome can be inspected on any working day between 10:00 AM and 4:00 PM.

Proposals may be submitted to **Curator, KCM Planetarium, Pehowa Road, Kurukshetra–136119**. Last date for submission of the proposal is **10.11.2022**.

Proposal may be submitted by Email at [curator\\_kcp\\_india@yahoo.co.in](mailto:curator_kcp_india@yahoo.co.in).

**Eligibility:** Bidders should have previous experience in installation and/or cleaning of similar dome screens made from perforated aluminum panels.

Enclose copy of work order and satisfactory work completion report as proof thereof.

Secretary/EC, HSCSIT reserves the right to reject any or all proposals without assigning any reason thereof. HSCSIT is not bound to accept the lowest bid offer. A higher bid offer may be accepted based upon the quality of previous work experience of the bidder.
